Dear Parent,

Thank you for registering your child in Kids On Track Character Clubs!

We look forward to getting to know your child and having a year filled with engaging learning activities as the children grow and develop in Christian character.

We are able to offer our programs free of charge to all children because of the generous donations received from individuals, foundations and government sources. We know that although every parent cannot give the same amount, everyone can do something. Would you consider making a contribution to the Character Club program?

As a registered Canadian charity we are able to provide a tax receipt for all donations received. One time or monthly donations are easily made from our secure website at www.kidsontrack.org. Cheques, cash or direct debit transactions can also be processed at our offices.

Thank you for contributing in whatever way you can towards the Character Club program. There is no amount that is insignificant. When we all work together amazing things happen. We feel privileged to be partnering with you in the important work of building young lives.

Should you have any questions or concerns about the program, please call Kristy at 780-481-2942 ex. 3.

Building Young Lives,
